## QStrip QTH-060-01-L-D-A adapter board

### Product Highlights

This adapter comes fully assembled with connector and pins installed.

### Specifications

PCB dimensions:	38.1mm x 162.56mm x 1.6mm
PCB construction:	FR-4 UL94V-0
PCB operating temperature range (without connector):	-40C to +130C
PCB reflow maximum temperature (without connector):	+260C
PCB assembly standard:	IPC-A-610 Class II
